Term 4 Week 8

Contenders...

The three nominees for School Leaders 2021 delivered their leadership speeches on November 19th. Results of the poll will be announced at Presentation Day, Monday, December 7th. Family members will be asked to pin the badges on the two Student Leaders and the third student will be acknowledged as Year 6 representative on the Student Leadership Team. All three nominees have been attending the weekly Student Leadership Team meetings.

With our Presentation Day on Monday, Year 6 Masquerade Party on Thursday and the whole school Disco Party next week, it's very clear that our school year is coming to a close. However we will be focussed on teaching and learning right up until the last day. In Week 9 students will be able to complete craft projects every afternoon. We have a wide assortment of projects for all students. This will be a great opportunity to tick someone off your Christmas gift list!

End of year reports will go home in Week 9 as well.

I look forward to enjoying these last few weeks with our students.

School Leaders Interview for
Jetsetter Magazine

Our School Leaders, Lyla and Ruby, were interviewed by the editor of Jetsetter last week. Jetsetter is a publication featuring the work of students from schools all around Australia. The girls were asked about their plans for next year and their future. Excerpts of the interviews will be reproduced in our newsletter once they have been published.

Ella continues to be a role model to her peers and should be very proud of herself, keep up the amazing work!

Absences other than for sickness will be recorded as unjustified. Please contact the school if your child is absent and Mrs Humphris will tell you what you need to do.

During NAIDOC Makoro students made some woven hangers, using twigs as a frame. Liam's is very colourful and would look great on a wall.
