SWIMMING PROGRAM

The Intensive Swimming Program will be running from 12th November - 23rd November at Toronto Swim Centre.

A big thank you to the parents who have indicated they can help with transport. We will require to see current drivers licence and current registration papers for your vehicle.

A weekly transport list will be posted on the noticeboard outside the 1/2/3 room, the Friday before swim school. If there are any circumstances that prevent you from being available please make it known to the front office.

CHILD PROTECTION LESSONS

During Term 4 our school undertakes lessons to all classes in Protective Behaviours. These lessons empower our students to be able to say "No" to people that may threaten them and to have the skills to tell a responsible adult.

In order that parents and carers fully understand these lessons we would like to extend an invitation to all to attend a session at school where we will run through the program. To maximise the opportunity we intend running the program on Friday 9th November at 9.00am and at 2.30pm. The session will be about 30 minutes and will be presented by Mr Hudson.

If you are able to attend could you please notify the school so we can cater for this event.

BOOK CLUB

Book club issue 8 will be accompanying this flyer, order and money will be due back 26 November.

SEEKING ACCOMMODATION

A member of our school community is looking for accommodation in the immediate area as their lease is expiring in December. If anyone knows of, or has available accommodation for a family of four could you please contact the school and we will put you in contact with the family concerned.
