9am**

PRINCIPAL'S NEWS—Sue Gibson

Principal's Message

Teachers and students are busily completing assessment tasks in readiness for end of year reporting to parent. Student reports will be distributed on Friday 11th December. Please remember that if you wish to discuss your child's report, you will need to make an appointment with your class teacher.

Last Friday we had a visit we had all been waiting for. It was wonderful to see Miss Dedman and her beautiful daughter Lila and I thank Miss Dedman for coming in to share her little bundle with us. She will also be attending our Presentation Day so hopefully we'll get to have more cuddles –of Lila of course!

PBL Focus

Our PBL focus for Week 9 is "Return Equipment on Time". We are very lucky at Fassifern P.S to have such great equipment to play with in our breaks. We need to remember that when we borrow from the sports shed, we are required to return the equipment when the bell rings. Our Sports monitors work hard to keep our sports shed clean and tidy and ready for you to borrow, so remember it is your responsibility to return all equipment on time.

Saving Santa's Sleigh

Today our students will travel to Fennell Bay P.S to watch their school play "Saving Santa's Sleigh". I thank the teachers at Fennell Bay for this opportunity for our students.

Scripture

Next Tuesday we will be having a visit from the Toronto and Districts Minister's Fellowship to deliver their Christmas message. The children will be attending a special assembly under the COLA at 9.00am. Those students who are not participating will be supervised appropriately.

Star of the Week

This week our "Star of the Week" is Lara Watson. Lara has been chosen for her special efforts in writing. Her story below shows what a wonderful writer she has become. Congratulations Lara. You are a well deserving Star of the Week!

Underwater Problem

Splash! I dived into the deep blue sea. It has fish, coral turtles and more beautiful Stuff. Whoa! Is that a cave I wonder what's inside?

I wandered in and it was a stone maze. Suddenly something touched my back so I stopped. I turned around as slow as a turtle walks. IT WAS A SHARK. I dashed around corners through holes and over rocks. Oh no I reached a dead end. I'm going to die!

But then another scuba diver stabbed the shark with a knife. Oh no the shark didn't die the shark was focus on the other scuba diver now. I dashed through the maze to try and find a way out. As I saw the way out a bunch of rocks fell down. I was shark bait. The shark grabbed me by the leg and dragged me into a massive arena full of sharks. The shark dropped me in the middle if I would swim away they would all be after me. All the sharks gathered around me and they all opened there mouths. I felt scared no one could save me.

Small Schools Are Fun

We Work As One

Office reminders

- Student banking on Tuesday is a great way to save and develop that super habit.
- Parent Communication Notice needs to be returned as soon as possible.

Change of P and C Meeting for December

The next meeting
will be held
Thursday 3rd
December at
5.30pm in the
Library
All Welcome!

Suddenly the other scuba diver grabbed me and he pulled me out of that dangerous arena. Once we found the exit we pushed so hard to get the rocks out of the door. Oh no I can hear the sharks we have to hurry! Then we used all our might and we finally pushed the rocks out of the way. We swam out of there as fast as we could and we were swimming back up to the surface. Once we saw the boat me and the other scuba diver quickly jumped on the boat started the engine and raced away from that dangerous place. So we went home and were to never ever go to that place ever again.

By Lara Watson

TERM 4 - WEEK 8

Class	Name	Award
K/1	Max Owens	Trying hard to improve his counting skills.
K/1	Raiden Purcell	Working hard to participate in class activities.
