## Principal's Message

Last week I attended the Stronger Smarter Leadership Program at Kurri Kurri TAFE. It was a truly amazing week of professional learning which provided me some great ideas to implement, all of which will benefit our students.

**PBL**-Our focus for the week is 'Respect Privacy'. We all need to be aware of this focus especially when we are using the toilets. Students also need to be aware of others privacy when conversations are taking place around them. Our students continue to meet our PBL expectations, consistently demonstrating 'Green Behaviours'. Well done! We are proud our school is safe and allows everyone to learn.

**Parent Café**-Our next Parent Café is scheduled for Wednesday 30<sup>th</sup> November. We have invited Sue Wells from Asthma Foundation NSW to present to our parents. This session will run from 9.00 - 10.00 and will provide up to date information about Asthma, including management and Asthma plans.

**Reports**-End of year reports will go home on Friday 9<sup>th</sup> December. Staff are currently completing assessment tasks and collating information for this process. There will be no formal Parent/ Teacher interviews at this time but please make contact with your child's class teacher if you wish to discuss your child's progress.

**K-2 Excursion**-Next Tuesday 29<sup>th</sup> November our K-2 students will be travelling to Hunter Valley Zoo. Our children will be accompanied by students from Teralba P.S. The children will be treated to talks on Lions and Monkeys and will get to meet the babies at the zoo. I am sure it will be a great day for our younger students.

**Year 6 Mini Fete**-Our Year 6 children will be holding a mini fete for students only on Wednesday 7<sup>th</sup> December. The children will be organising some fun activities which will take place between 11.40 -1.40. The children have asked that tokens be used instead of money and each activity will cost 1 token. The tokens can be purchased **on the day** at \$1.00 a token. If children bring approximately \$5.00 on Wednesday 7<sup>th</sup> it will exchanged for tokens. Mr Mooney is organising the event and more information will be given out before the day.

**2017 Captains Speeches**-It is that time of year again! Our Year 5 students have begun the process of preparing speeches for selection to the positions of School Captain and School Vice Captain for 2017. The speeches will be presented to the school at a special assembly Friday 2<sup>nd</sup> December. **The assembly will commence at 2.15 pm.**

## Star Of The Week

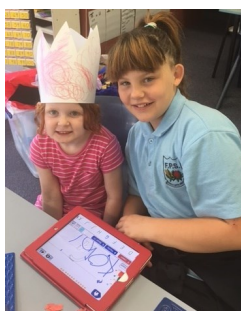

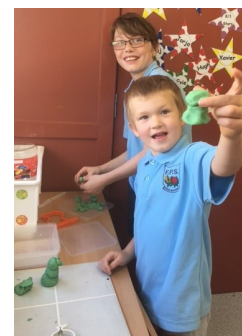

This weeks "Star of the Week" is Preston Como. Preston works hard across all areas of school but this recognition is for his interest, experimentation and application in our STEM unit this term which has focused on coding. He is pictured with a coding program he designed independently using the iPad app Scratch Jr. Well done, Preston on broadening your learning interests and engaging well in our STEM lessons.

### Kindergarten Transition

Thursday 17th November marked the third and final session of Kinder Transition for 2016. Mrs Greig and I were so impressed with the efforts of our Year 5 big buddies. We appreciate how well you took on this leadership role. We are looking forward to welcoming our new Kinder students next year.
