Principal's Message

PBL

This week our PBL focus is "Wear correct uniform" This is very timely as last week it was noted that a number of students are wearing accessories that are not school uniform and causing a distraction to themselves and others. Sometimes items of uniform do go astray and we need to wear other clothing till they are found or replaced, and this is fine in the short term. Ensure that all your school clothing is clearly labelled and always return items belonging to others. Wearing school uniform shows that we are proud of our school and gives us a sense of belonging. Congratulations to all our many students who always wear their school uniform with pride.

Mid-term update- 100% of students are still on track to attend our Term 3 PBL Awards Day activity. We have had 2 younger students in time - out, but no one in Reflection Room. Keep up the Green Expected behaviours and we might make 100% attendance two terms in a row!!!

Peer Support

Last week we had a change to our format for Peer Support. This week I will be meeting with group leaders to ensure we are still on track and that they have a clear understanding of the activities they will be presenting. This week the topic is "Small Talk". The student will look at how to start conversations with another person that they don't know very well and how to help others to feel relaxed.

Book Week

To celebrate book week this year, we will be holding a Book Fair in our Library from Monday 22nd August to Thursday 25th August. A special book Week Assembly will be held on Wednesday 24th August. This will include a Book Character Parade and some musical items. We will also be welcoming our Kindergarten children for 2017 to participate. On Friday 26th the teachers will be opening their classrooms to demonstrate some features of Explicit Direct Instruction. These class observations will commence at 12.15pm and conclude with an encore of the musical items presented on Wednesday.

"Star of the Week"

This week we will introduce a "Star of the Week" award to our assembly. Each Friday this award will be presented at our assembly and the "Star" will be featured the following week in our newsletter. Our Week 5 "Star of the Week" is Evangelina Lockett. Evie is in Kindergarten and has made an excellent start to her schooling. Evie is a very kind and caring student and always greets you with a smile! Below is a recent piece of writing by Evie which shows many correct writing conventions, what a great job Evie!!! With no assembly last week, Evie will receive her award this week.

Early Action for Success

This term I am lucky enough to be the Early Action for Success Interventionist for three days a week. In my role I get to work with students to develop their literacy and numeracy skills and to support their individual learning goals. Currently the Year 2 writing group are working on planning their writing and generating interesting sentences using WOW words. I have also implemented the PLAT (Powerful Learning Accountable Teaching) Fluency framework for Years 3- 6, tracking their ability to read with speed, accuracy, and proper expression. We are halfway through the term and I am very proud of our success so far. Ms Dedman

Mini Olympics.

Last Friday, Fassifern Public took part in a mini Olympics on the back field. Students were given the opportunity to test their skills in Olympic sports such as; volleyball, athletics, gymnastics, basketball and football. Our year 6 peer support leaders ran the activities and did a great job organising and teaching the younger students. Thanks to the parents for coming along and getting involved. Special Gold medals were given out to those who gave it their all throughout the afternoon. Well done to those Gold medallists and to all the other students involved for making it a great afternoon.

2/3 News

In 2/3 we have been practising using a success criteria to check that we have completed writing tasks to the best of our ability. In the photo you can see Phoebe carefully checking off each of the points against her writing. You can also see some examples of the first drafts that Garrett and Connor were able to produce using their knowledge of Emu's and the success criteria.

P&C

Welcome to another week. The tickets are going home for the Father's Day raffle this week so sell sell sell! More tickets are available if you need them. The raffle will be drawn at assembly on the 2nd September. All proceeds go towards new equipment for the students.

Father's Day breakfast will be held from 7.30am on the 2nd September for Dads and others. Stay tuned for more information.

Thankyou to all those who donated gifts for our stall which will be held on Friday 2nd September after the morning bell.

Have a great week!

Nutrition Snippet

The simplest way

...to cook a delicious curry.

Lamb & Veggie Curry

Serves: 4

Top tip: Reduce the amount of meat and increase the vegetables – you'll save money and make the meal healthier. Applies to stir fries, curries, pizzas and mince dishes too.

Ingredients: 1 tsp olive oil; 2 tbsp curry paste; 1 medium brown onion, chopped; 2 cloves garlic, chopped; 300g diced lamb; 3 large carrot, cut into chunks; 250g button mushrooms; 400g tinned tomatoes, diced; 100g red lentils; 500ml reduced salt chicken stock; ½ cup fresh coriander.

Method: Heat oil in heavy-based pot and cook onion, garlic and curry paste until fragrant. Add lamb and brown over a high heat. Add tomatoes, stock, carrots, mushrooms and lentils and reduce the heat to simmer. Cook for about 1 hour with the lid on, stirring regularly until lamb is tender. Mix through coriander reserving a small amount for garnish. Serve with brown rice.
