Wednesday  
15th November  
Fassi Flyers

*Please add any dates  
marked with an asterisk to  
your Term Calendar*

## Principal's Message

### Term 4

### Week 2

#### LMHS HeadStart Transition Program

Our Stage 3 students are currently attending the LMHS Transition program. All Year 5 and 6 students along with their class teacher, Mrs Clarke are working and learning at Lake Macquarie High School from Monday -Thursday for Weeks 1 -3 of this term. In the morning session, Mrs Clarke is working with the students on Literacy and Numeracy. After this the students are grouped with others from the LMAC schools and are working on a number of STEM units. This is an excellent opportunity for our students to work within the high school environment and also experience some exciting technology.

#### Excursions

This Term sees our Year 3/4 students attend Morisset camp and our Year 5/6 students travel to Bathurst. If your children are participating in these events please ensure payment is received at the school office ASAP. Also ensure that you have received all the information regarding these two events and have returned all required medical information.

#### Grandparents Day

Grandparents Day will be held in Week 4 Monday 30<sup>th</sup> October. We have lots of activities planned including numerous games, painting, a photo booth with complimentary popcorn and donuts, sausage sizzle and a bush dance. A timetable for the day including lunch orders will be forwarded shortly.

#### External Validation

Currently our staff are preparing a submission for the External Validation process. We have worked through the School's Excellence Framework gathering evidence to self-assess. The submission will be evaluated by a team including a Principal School Leadership and a trained peer Principal. This team will visit our school on Tuesday 31<sup>st</sup> October where the submission will be presented, reviewed and a determination will be made in line with the School's Excellence Framework. This process will provide important information in the school planning process and assist in the writing of the next school plan for 2018-2020.

# HeadStart Transition to Lake Macquarie High School

5/6 have had a great first week at Lake Macquarie High School during our HeadStart Transition. These are some photos of our home classroom while we are here. The students are loving the flexible seating options and are all working hard. Photos of high school lessons to come next week.
