Principal's Report

2018 Enrolments

Again I'd like to remind the Fassifern school community that we are currently forming our classes and allocating teachers for 2108. In a small school setting the difference of one or two children can make a huge difference to how we form our classes. I ask that if you know of anyone who is intending to enrol a student/s at Fassifern PS for next year and is yet to do so that they contact the school office immediately. I also ask that if your child is not going to continue at our school that that you also let us know immediately. This will enable me to give parents timely information on class structures and the teachers assigned for next year.

Christmas Assembly

This Friday Mr Camilleri will be joined by some additional scripture teachers to present a special Christmas Assembly. Students who attend scripture will be invited under the COLA at 11.40am for this special event. I thank Mr Camilleri for all his efforts in presenting scripture lessons to our students throughout the year.

Year 6 Farewell

Our 4/5/6 class will be attending the Year 6 Farewell Tuesday night 5th December at Royal Motor Yacht Club, Toronto from 6.00-8.00pm. The students will have a meal and disco as take some memorable photos with their friends. I thank Mrs Clarke for organising this special event.

Presentation Day

Our 2017 Presentation Day will be held under the school COLA from 10am on Thursday 7th December. We invite all our Fassifern school community to come along to join with us in congratulating the students on some amazing efforts this year. The school captains for 2018 will be announced on this day.

P&C Christmas Event

On the evening of Friday 8th December our P&C will be holding a Christmas Party. The festivities will begin at 4.30pm with Santa photos and will include dinner and some fun and games! For further details please contact our fantastic P&C President Julie Condran.

Student Banking:

- * Don't forget to bring in your student banking on Monday's!
- * Monday 11th December will be the last banking for the year.

PBL Rewards Day

On Wednesday 13th December we are acknowledging all students who have not attended Reflection Room for either 3 x Time Outs or for a Red behaviour warranting a direct Reflection Room referral. We will celebrate with water slides! The slides will be in our playground from 10am till 2pm and students will be invited down in class groups to join in the fun. Our "Fassi Flyers" will also be included in part of this event with further information to follow. Students are asked to come to school with swimmers under their uniforms. They will also need to bring a towel and dry underwear to change into before heading home.

Star of the Week - Isaac Solomons

Isaac has worked really hard to increase his active learning time. He has taken time to complete set tasks and present a higher standard of work. Isaac is self regulating his behaviour and concentrating on his own learning. He has made amazing progress in his learning goals for writing this week, and has maintained an eager, proactive attitude. Congratulations Isaac.

Sue Gibson

K/1 Science and Technology

For Science and Technology last week K/1 conducted an experiment with Skittles. Firstly we arranged the Skittles around a white plate. Then we poured warm water into the centre so the Skittles were half submerged. To our amazement the colours made a beautiful rainbow display on the plate! The warm water dissolved the coloured coating on the Skittles, creating the bright pattern. Look at the before and after photos to see the experiment in action.

4/5/6

A few weeks ago, students in 4/5/6 were offered the chance to make 'Welcome to Australia' cards for an English student visiting from Japan. Mrs Clarke delivered the cards to Hiromi who had heard about our class after our skype interview with Matthew earlier in the year. We did not expect a package in return but were surprised to receive a large poster all about Hiromi and Japan, as well as personalised letters to those students that had written to her. Now to figure out what we can send back ???

P & C News

Presentation Day 7th December

There will be 4 major hamper prizes to be won. Raffle tickets will be sent home soon.

Christmas Party 8th December

It's going to be lots of fun, with heaps of music, games & prizes, as well as a visit from Santa. Send your pre-order forms in for dinner and photos by 1st December.

Uniform Committee News

Reminder for families to please return their pre-order forms for new school shirts by this Wednesday 29th December.

The new shirts follow the same sizing as the old school polo shirts and will be phased in from Term 2, 2018.

Even if you won't need shirts right away, please help us to order the correct number, and the correct sizes by completing the pre-order form. We have to order a minimum of 100 shirts. Telling us what size your child will need will ensure we order enough in that size.
