Principal's Message

The best-laid plans of mice and men...

There is so much happening at the start of the school year we just had to send out another newsletter.

We have a big beautiful playground to run and play but we thought we would add some different activities to promote creative play and harmony. We are asking for donations of duplo, lego, small cars and fancy dress outfits to make available for play at lunchtime.

Dance has started and is rocking away each Wednesday. Keep Thursday, 29th March free for our performance.

Our Bunnings BBQ fundraiser is coming up fast. We are very lucky our small school has this opportunity to raise money this way. Please add your name to the roster for as much time as you can get away from your other family commitments. Many hands make light work.

Our swimming carnival is this Thursday for children turning 8 and up. Are your notes and \$5 in?

Our P&C meeting was held last Friday. A big thank you to those parents who turned up. It was a pleasant, informative and productive time! More fundraising results are below.

Our school will now be collecting Coles Sports for School Vouchers. Please drop your Vouchers into the box provided at the school office. This is a great way to obtain sports gear for our school.

Regards
Relieving Principal

We would love your help collecting Coles Sports for Schools for our school. Tell your friends and family to get involved as well, because the more vouchers we collect, the more sports gear our school will receive.

Her work is very neat and of a high standard. Vienna listens well to teacher instructions and joins in to discussions when appropriate. She is always well mannered and sensible. Congratulations on a great start to your school life, Vienna! A well deserved Star of the Week!
