your Term Calendar*

Principal's Message

Dear Fassifern Families,

It's been a busy few weeks. Swimming is over and we are back to our regular timetable. Our seniors have been experiencing high school life with a mixture of sport and science. Our debaters have been training and public speaking is a focus for everyone. These little speeches are often nerve racking but are so important to start early and gain confidence in, as they continue through school life. Please contact your class teachers if you need any support with this.

Soccer

Mr Mooney will be taking our soccer team to verse Teralba on Wednesday, 6th June.

Athletics Carnival

Our Athletics Carnival will be held next Tuesday 12th June, the day after the Queen's birthday weekend. Let's hope for better weather. Another note with correct dates is accompanying this newsletter and will need to be returned as soon as possible.

Photo Day

Our photo day also had to be postponed. The new date is Monday, 2nd July in Week 10. I was advised that we would be issued new envelopes but this has changed. Hang on to the old envelopes. If you have thrown it, come and ask for one at the office.

Child Protection

Our child protection lessons will commence this term. We are lucky to have accessed some trained staff to enhance this very important message.

Naidoc Day

To assist with the organisation of NAIDOC day and discuss priorities for possible sponsorship money, there will be a special meeting in the school library, 15th June at 9.15am. All welcome!

I look forward to seeing you at our assembly this week, starting at 2pm.

Superstar Student: Halaina Pex

Halaina should be congratulated on the effort and positive attitude she brings to all learning activities. She engages in class discussions and will always happily attempt to complete more challenging tasks, particularly in mathematics. Halaina works well with other students and is a kind and caring member of the class. Well done, Halaina!

Regards

Relieving Principal

EVERY DAY COUNTS...
A day here or there doesn't seem like much, but...

When your child misses just...	that equals...	which is...	and therefore, from Kindy to Year 12, that is...	This means that the best your child can achieve is...
1 day each fortnight	20 days per year	4 weeks per year	Nearly 1 ½ a years of school	Equal to finishing Year 11
1 day a week	40 days per year	8 weeks per year	Over 2 ½ years of school	Equal to finishing Year 10
2 days a week	80 days per year	16 weeks per year	Over 5 years of learning	Equal to finishing Year 7
3 days a week	120 days per year	24 weeks per year	Nearly 8 years of learning	Equal to finishing Year 4

Give your child every chance to succeed...

Every day counts!

STEM Day

Lake Macquarie High School hosted a Science, Technology, Engineering and Mathematics (STEM) day on Friday which gave our students the chance to work together and create cool chemical reactions and air-pressure fuelled rockets. Students worked in small groups to design, create and ultimately fire these rockets off into the sky. A great day was had by all, as you can see by the fantastic photos.

Premiers Sporting Challenge

5/6 students had a great time at the Premiers Sporting Challenge hosted by Lake Macquarie High School last week. They were lucky enough to take part in a variety of sports including; golf, soccer, basketball, fitness and some tricky problem solving games. Credit should go to our students who represented their school proudly by having loads of fun and giving it their best.
