Dear Fassifern Families,

Welcome to Week 2

We had a great start to the term with a fun but educational **Ship O'Fools** show on recycling and Makoro had a great day up at the high school last Friday celebrating NAIDOC DAY. Our own NAIDOC day at Glenrock at the end of last term was a huge success. This newsletter is full of fun photos!

We will be planting some small shrubs and groundcover over the next week. Our thanks go to Lake Macquarie Council for their support in a few of our activities. Children might need some gardening gloves in their bags. If you have a green thumb or just feel like helping with some clean up in our gardens getting ready for spring just drop in to see me.

Good luck to our zone athletes competing next Monday and our public speakers later in the week.

We had a very interesting P&C meeting last week. Our guest was James Marshall from Centennial Coal. He spoke about their future plans and learning opportunities for our children. There will be further involvement.

Our rural community is doing it tough. We have registered for the 'Buy a Bale' appeal and are awaiting how best to support our farmers. Stay tuned.

See you at this week's assembly, this Friday.

Ship 'o Fools!

Last week we had the Ship 'o Fools duo come to present the School Waste Wrappers Show. We learned a lot about the importance of separating our rubbish correctly. The new green bin system was also explained in a very entertaining and fun way. There was singing, music, juggling, some tricks and lots of environmental messages.

Glenrock Lagoon

On the last Friday of Term 2, all students from Fassifern Public School went to Glenrock Reserve for a special NAIDOC week excursion.

We were welcomed at Glenrock by two Indigenous Australian Park Rangers who were our guides for the day. These rangers showed us many techniques that Aboriginal people used to survive in the bush. They showed us how to find bush tucker, water and medicines. They also showed us how to use various plants to make shelters, ropes and baskets. Hearing their stories has inspired us to learn more about Indigenous Australian culture.

We had an amazing time being out in nature and exploring our local environment.

P&C School Disco!

P&C

Our disco was a great success and such a fun night out. It far exceeding our expectations. It was fantastic to see so many families joining in and enjoying themselves. Thank you to everyone who came out. It took a lot of planning and organizing so a big thankyou to our Fundraiser coordinator Hailee Versluis for all the hard work she put in to it and to everyone who helped out in the lead up and on the night.

Our Fathers Day celebrations are just a few weeks away, so we are asking if anyone has anything they would like to donate for the stall to please bring it into the office. All donations are greatly appreciated. Anyone who donates will receive a ticket into our raffle.

Circle of Security

A program for parents

Parenting can be tricky for everyone at one point or another. The Circle of Security provides a roadmap for parents to look beyond their child's behaviours and understand how to meet the underlying needs being expressed. The Circle of Security focuses on the relationship we have with our children, to give them the emotional security they need.
