

Fassifern Flyer

Term 2, Week 4

Fassi Flyers Transition Program

We are running our Pre-Kinder transition program again this year. Each Friday in Term 4, preschool children can visit our school and take part in a school readiness program. It's a great way for our Kinder 2025 students to learn all about our school.

Talking Money

Years 5 and 6 are taking part in the Talking Money sessions this term. They will learn the important skills of how to save, manage, and spend money. As well as manage needs versus wants, and discuss the digitisation of money and different payment options.

Year 6 Leadership

Our senior students travelled into Newcastle to take part in the GRIP Student Leadership Conference. The conference concentrated specifically on training student leaders find the best ways to support their school and develop leadership qualities. Mrs Dobson was impressed by our students' exceptional behaviour and participation throughout the day.

Star of the Week

Cameron is one of our hardworking Year 1 students from Wilai. He has begun the term with renewed focus, setting a great example to our new Kindergarten students. Cameron has been displaying improved enthusiasm in his learning and a growing willingness to take on teacher feedback. He reads his home reader each night and remembers to bring his folder in each day.

Cameron has been trying hard to complete his work neatly and he is showing some improvements in his letter and number formations. Cameron is a quiet worker in class. He enjoys telling news and talking about his interests – crocodiles and derby cars.

Cameron has had a great start to his learning this term and we are looking forward to his continued progress and improvements. Keep up the great effort, Cameron!

HEALTHY GRAB-AND-GO SNACKS

Making homemade snacks can be cheaper, healthier and better for the environment, but sometimes you just need a **grab-and-go snack** that is not packed with sugar, salt and saturated fat.

Communication

Check **ClassDojo** for great photos and updates on what our wonderful students are learning in class. Please ensure that your notifications are on to get regular messages.

We encourage parents to use the free **School Bytes app**. If you need help downloading the app, please let us know as this is a very important source of school information. Make sure that notifications are turned on.

Both the School and Parents' **Facebook** pages have news, events, photos and updates.

Remember, it is vital that we receive a **doctor's certificate** for any student absences **2 days or longer**. This is in line with the Department's policies and is important for our records.

Together, we can make every school day count for our kids.

Screen Free Week

Spending time on screens can be an obstacle for kids who need more active and creative outlets for development.

Get involved in the global event during the first week of May and step away from screens for recreation.

Anyone can take part! Choose what screens you could turn off for your family and set a goal to achieve i.e. turn it off for 1 hour, a day or the whole week.

During this time, you could try some other activities like:

-  Getting outside and being active
-  Riding your bike
-  Dancing
-  Playing outdoor games
-  Going for a walk
